SOCIAL BUSINESS 1
BOOK REVIEW (20% OF TOTAL MARKS)

CLO1: Identify social issues in the community that are amenable to social business solutions. (C2,PLO1)

Objective:

In this project, you will create a **mind map** summarizing and analyzing one of Professor Muhammad Yunus' books. The mind map will help you organize and present the key ideas from the book in a creative and clear way. This is a group and individual project where each member is responsible for contributing to the mind map, and you will individually answer questions during the presentation to demonstrate your understanding.

Instructions:

1. Group Formation & Book Selection

- You must work with your project group (**5 students**).
- Each group must choose **1 BOOK** from the list of the three books by Professor Yunus:
 - *Building Social Business: The New Kind of Capitalism that Serves Humanity's Most Pressing Needs*
 - *A World of Three Zeros*
 - *Creating a World Without Poverty*

2. Mind Map Creation

- Your task is to create a **visual mind map** (hard copy drawing/hand-writing) of the key concepts, ideas, and lessons from your selected book. The mind map should include:
 - **Main Themes** of the book.
 - **Key Concepts** and **Examples**.
 - **Critique** or personal reflections.
 - **Creative Elements**: Use colors, symbols, and visuals to make it engaging and easy to understand.

3. Mind Map Presentation

- **Presentation Length**: Each group will have **5–7 minutes** to present their mind map.
- Every group member must speak for at least **1 minute** to explain a portion of the mind map.
- After the group presentation, you will each be asked **1–2 questions** to demonstrate your personal understanding of the book's concepts. These questions will focus on your reflections and critical thinking based on the mind map.

4. Evaluation Criteria

Your mind map will be evaluated based on:

- **Clarity & Structure**: Is it easy to follow and well-organized?
- **Depth of Key Ideas**: Does the mind map cover all the major themes and concepts from the book?
- **Creativity & Visual Appeal**: Is the mind map visually engaging?
- **Relevance to the Book**: Does the mind map accurately reflect the book's content?
- **Team Collaboration**: Did all group members contribute equally to the final product?
- **Group Marks: 10%; Individual Marks: 10%**

5. Submission

- Submit your mind map during your presentation day (**Week of Sept 1, 2025**).
- Please ensure the mind map is hand-written and hand-drawn.

Helpful Tips:

- Stay **organized** and divide the work fairly.
- Be **creative** with your mind map, but ensure it's still easy to understand.
- During the presentation, **explain your thinking** clearly and confidently.
- **Practice** your individual answers so you're ready for the questions!
